

Systematic Internaliser

Systematic Internaliser

Definition

In accordance with Article 4(1)(20) of Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments, a systematic internaliser is defined as an investment firm which, on an organised, frequent systematic and substantial basis, deals on own account when executing client orders outside a regulated market, a multilateral trading facility or an organised trading facility without operating a multilateral system

Scope

Regulatory requirements

Starting from 1st September 2020, investment firms will be mandatorily classified as systematic internalisers in derivatives which they have traded frequently, systematically and substantially.

SIB (Cyprus) Limited specific

SIB (Cyprus) Limited, has become a Systematic Internaliser **only for non-equity instruments (bonds and FX derivatives)** which ESMA has considered to be illiquid. List of the instruments is included in **Appendix 1**.

Provision of quotes

In accordance with Article 18(2) of Regulation 600/2014 of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments, in relation to bonds or derivatives traded on a trading venue for which there is not a liquid market, systematic internalisers shall disclose quotes to their clients on request if they agree to provide a quote.

SIB (Cyprus) Limited has no obligation to disclose quotes in relation to illiquid derivatives traded on a trading venue and therefore, does not agree to disclose quotes. In illiquid bonds, SIB (Cyprus) Limited may disclose its Systemic Internaliser quotes to a client who requested a quote, but given that SIB (Cyprus) Limited has not agreed to provide such quotes, please note that SIB (Cyprus) Limited will not be doing so.
